"Brian was so professional and helpful throughout the whole process. My main request was that the dance floor be filled all night and Brian was an expert at adapting the music to how everyone responded making sure people were up dancing and not sitting down. He played all the great wedding songs and took requests from the wedding party, Brian also took the stress away from the best men/ bridesmaids and offered to make announcements for the first dance, getting everyone to join in."

Mrs Joanne Cox

"What can I say! Perfect from beginning to end. Informal meetings with tea and biscuits to discuss playlists, flash mob ideas, soul train playlist and even dedicated songs to our loved ones. Beautiful first dance with my dad giving me away to my groom again on the dance floor, Brian's idea. 360 camera, fantastic personality, great choice in music and very accommodating for different ideas. Above everything, nothing was a problem. Everything was possible. Best DJ your wedding will ever have, Brian"

Mrs Rebecca Vincent

"Brian made our day amazing! He was organised and calm, he got our guests going when needed and made everyone feel relaxed and at home. When we first met him I knew I wanted to book him up to be out MC and DJ, he was very helpful and gave us some really good ideas, he made the whole booking experience easy. All of our guests said how amazing he was and would use him in the future for events, and his little touches like Mr & Mrs game was a bit hit. What a fabulous person....Come on Brian!"

Mrs Georgina Davey

"Brian was fantastic from day one! We had our first meeting with Brian soon after we first got in touch. He arrived at our house spot on time with a lovely bottle of bubbly to say congratulations. He provided us with information from his previous weddings and explained different options with us. Immediately we felt very happy and confident that Brian would be a fantastic MC. Our wedding day was just perfect and the dance floor was NEVER empty. You can rely on Brian 100. Beat dj by far!!!"

Mrs Emily Patel (johnson)

"Brian was by far our best investment of the day. The scores may look unrealistic but that is because he absolutely exceeding all our expectations in every way. From the moment he turned up, everything was at our convenience, his very likeable nature and friendliness soon won us over as well as some really special things he organised for our day that we will always cherish. He simply went above and beyond what we asked for, tailor making things to suit our day and needs."

Mrs Annie Mackinnon (Richardson)

"We weren't going to go for a wedding DJ and just provide the music ourselves but

thankfully we spoke to Brian first. He said he offered something different and he wasn't lying. From the home visit for the lighting and music, to the 'must play' he provided a service on another level. His mixing was spot on (yes a wedding dj that mixes) and he played everyone's requests unless they were on the 'don't you dare' list of songs or the list of people not allowed to make requests which was hilarious."

Mr BAPPA Dasgupta

"Brian was excellent and professional. He was very good at communicating and found all the music we requested even though some of it was quite obscure. The extras he provided - a post box and various games - all added to the occasion. It was also great to see that HE was enjoying himself rather than just playing music."

Mrs Florence Martin (Thomas)

"Brian was fantastic, he read our audience brilliantly and played a great mix of songs (including the ones we had included online as must play and more importantly do not play). He brought us lots of new ideas such mr and mrs before the first dance. It's these little ideas that help a wedding stand out. He even made sure I could enjoy the last few dances (after someone spilt a drink on me and my dress) by asking guests to keep drinks off the dance floor for the final songs."

Mrs Sarah Mumford (Cocks)

"Brian Mole was amazing, from the planning right through to the day itself. Not only does he offer a DJ service, but a master of ceremonies, along with lots of quirky extras like a proper post box for cards and advice cards for guests. Brian helped our whole day run smoothly and was a calming presence when needed but also full of energy during the disco. Brian knows how to read a crowd, if a song type isn't going down well, he moves on, to keep everyone on the dancefloor - the perfect DJ."

Mrs Claire Perry (Gumbrell)

"Brian was fantastic from start to finish. He was always very flexible, accommodating and professional and gave us some great ideas for our wedding, including playing Mr and Mrs before our first dance which was so much fun for both us and the guests and the box full of props containing wigs/funny hats etc. which was also great fun on the dance floor! Brian also acted as Master of Ceremonies for us which worked very well as he's very experienced. We'd 100 recommend Brian for a wedding."

Mrs Kristina Gough (Kennedy)

"Brian was absolutely amazing at our wedding at Oaks Farm. The music was great, and he got everyone dancing and kept the dance floor occupied all night. He was extremely professional friendly and likeable, he even downloaded a new song in the charts during the evening that my groom requested. Brian has many added touches that he suggests, The Mr and Mrs game just before our first dance was brilliant, it added some light heartened banter and our guests loved this"
