"Brian Mole, helped us to create our dream wedding by playing all our chosen music and created a magical day for us with his professionalism and expertise throughout. I can't thank Brian enough for his amazing work rate and DJ/master of ceremony skills that he brought to our wedding. I would recommend Brian to all of my friends and family without hesitation."

Mr Steven Herbert

"Honestly gave us 100% his attention and what we wished for. Made us so relaxed and followed guest interests"

Mrs Kim Edwards (madden)

"Brian made for the perfect wedding day experience, both ensuring that the ceremony ran smoothly and that it captured the atmosphere that we wanted and then also making sure that the party at the end of the night was lots of fun. We really valued the personal touch that he provided and the way he worked very closely with us during the planning."

Mr Matthew Snelling

"We found Brian excellent, he took the time to understand the music we both loved. Brian also did an exceptional job as master of ceremonies, and took the stress out of the day for us - we could not have asked any more."

Mr David Crook

"Brian Mole is an exceptional DJ to deal with. We had a key set of requirements, later finish, proper mixing and a varied House set! He also offered a full range of services which included being our master of ceremony and providing music and entertainment through the day! Brian is a very easy going friendly and accommodating DJ, who bent over backwards to make sure our special day exceeded our wildest dreams! Brian also offers a few extra things into the mix like well wishes/advice cards etc!"

Mr Gareth Harvey

"We want to thank Brian for making our wedding such a blast. He was a complete professional and so friendly. Everything was a breeze from the consultation to setting up the playlist to all the crowd-pleasing choons. The lighting Brian provided also made our venue look spectacular. All our guests loved Brian."

Mr Sean O'Connor

"Overall I have scored Brian a 10. This is because I felt he really understood what I was trying to achieve. He visited me at my home for a comprehensive run through of every aspect of the day and night. He asked lots of probing questions, listened and recommended styles and options. This was especially helpful when I felt at a loss of ideas. As a result, Brian really complemented my wedding, from the ceremony to the last dance. I have since received great feedback from my guests on the music."

Mrs Eileen Beeson

"We thought Brian was fantastic. Entirely professional but with a personal touch that we really appreciated. We were so impressed by Brian's approach that we extended our contract with him to cover the whole of our day as opposed to just the evening. It was seamless as a result."

Mrs Susie Stephen (Rolls)

"Brian made our day so special - the music in particular during our ceremony entrance was so well timed and on queue for maximum impact, many our guests said they were very impressed by this. He really got the party started in the evening too."

Mrs Marie Trembacki

"Simply put Brian is awesome! He kept everyone of my guests on that dance floor all night and he could have kept them there till the early hours if we did not have to leave the venue. Music was spot on for everyone of all ages. Never forgot what an amazing night it was and the music made it"

Mr Anthony Forsyth

"Everything he did on the day and on the lead-up to it with the planning meetings really helped put our minds at ease and talking through the day with him (with how much time to allow for each aspect) really helped our organisation. Nothing was too much trouble and he pulled out all the stops in finding our music choices, however obscure. The table quiz and the Mr and Mrs game was great fun and a real highlight. Once the disco started the dancefloor was never empty - the sign of a great DJ."

Mr Ben Woolger

"Brian is the most fantastic wedding dj, he goes above and beyond his job role ! He has the most calming presence to him, and really knows how to put you at ease when it comes to not only just organising the wedding / reception music but the whole event ! Nothing seemed to be too much trouble for him, and he was always available whenever we needed him. I especially liked his ' don't you dare play ' list which is made up by the bride and groom so no nasties can be played on your big day !"

Mrs Deanne Harrison

"Brian was absolutely essential to our day, even more so looking back. We had planned 'do our own' music in the ceremony but he took this over & it was seamless, even practising entrance with me. My husband arranged an opera singer as a surprise during the reception & first dance, Brian leashed with him re timings, background music, mikes etc at no etc cost it was just the icing on the cake. We are a mature couple and didn't expect too much action on the dance floor but Brian filled it."

"Wow. Brian did to make our wedding day so special. When we met to plan the day, he gave us so many unique ideas we never would have considered or known of. These touches made our day all the more memorable, and kept our guests entertained throughout. The high quality music was spot on, helping to create a relaxed atmosphere throughout the day before working up towards a fabulous party in the evening. We'd recommend to anyone that they book Brian. He is outstanding."

Mrs Rebecca Farndell

"From the first meeting Brian was supportive and professional. His online portal was excellent and easy to use to load our favourite song choices. Just before the wedding he visited us at home to make sure he understood all our requirements especially the music for the ceremony and first dance. We also got to test the up lighters and get the colours just right. On the day he read the room perfectly with many guests commenting on how good he was and the great choice of music throughout."
