

Ceremony Music list

Your Names		Your wedding date	
---------------	--	----------------------	--

Please use this form to submit your ceremony music choices. We need to arrange a planning meeting either at my home in Southwater, or by Zoom about 30 days before your wedding, and we will go through these choices to make sure I have the right versions, and discuss timings etc...

IMPORTANT NOTES:

- Please avoid Youtube to choose your music, many Youtube songs are not commercially available to play! Spotify or Apple music are ok. If in doubt, just ask me.
- Send this back to me no later than 30 days before your wedding
